

## My Feelings

The feelings that I have are so strong,  
But I still must move on.  
Even if the problem is too much.  
Even if it make me sad I still  
Must move on.

So to tell the love of his life that he  
shall  
Never be by her side again  
Because he is a man of the Lord.

She jumps and cries and says Oh Lord  
Why Lord why the love of her life  
Be taken away from her and their child.  
The only guy she has loved  
In a really long time.

She pray to the Lord  
Ain't love the reason I am here with child,  
And like always  
She got no answer.
